LOCKER SHELVES:

If you wish to purchase locker shelves, it is important to buy adjustable ones such as these: <http://www.organizeit.com/adjustable-double-locker-shelf.asp?cmpid=SLI#>. The inside dimensions of our lockers are **10" x 10"** and standard metal shelves or locker ladders don't fit correctly and cause the doors to jam and the mechanism to break. You may find shelves like these using the web address above or similar items in stores.

Suggestion: Visit a dollar store first. Many items such as highlighters, pens, pencils, etc. can be purchased inexpensively.

All student belongings need to be kept locked, in student lockers. Backpacks with wheels do not fit into the middle school lockers, and so they are not permitted.
