

VCSD District Goals 2017-18

Goal 1:

The district will create an academic culture of openness and continuous improvement, including continuous teacher development, and high quality instruction across all grade levels.

Goal 2:

The district will support student achievement by developing students'

- **Potential for scholarship, curiosity, critical thinking, and problem-solving**
- **Capacity for independent, self-directed learning**
- **Social and emotional growth and well-being**

Goal 3:

The district will enhance communication strategies to engage all community members in student learning.

Goal 4:

The District will be faithful stewards of the community's financial commitment to the children and will be responsible in managing all resources.
