#### LOCKER SHELVES:

If you wish to purchase locker shelves, it is important to buy adjustable ones. The inside dimensions of our lockers are **10" x 10"** and standard metal shelves or locker ladders don't fit correctly and cause the doors to jam and the mechanism to break.

**Suggestion:** Visit a dollar store first. Many items such as highlighters, pens, pencils, etc. can be purchased inexpensively.

*All student belongings need to be kept locked, in student lockers. Backpacks with wheels do not fit into the middle school lockers, so please do not purchase backpacks with wheels.*
