* **Math and Social Studies:** a 1-subject notebook, 8.5 x 11, 100 sheets with pocket folder (no substitutes) is required for each class. You can order the notebooks through myschoolbucks July 7 - August 7 for \$3.00 each. These notebooks will be delivered to the school and passed out in class. You can also purchase the notebooks on your own from a retail store.

** **Art Sketchbooks** – students who stored their 6th grade books in the art room for the summer will use them again this year. Students whose books were taken home or fully used will need to bring in a new book.

LOCKER SHELVES:

If you wish to purchase locker shelves, it is important to buy adjustable ones. The inside dimensions of our lockers are **10" x 10"** and standard metal shelves or locker ladders don't fit correctly and cause the doors to jam and the mechanism to break.

Suggestion: Visit a dollar store first. Many items such as rulers, highlighters, pens, pencils, etc. can be purchased inexpensively.

All student belongings need to be kept locked, in student lockers. Backpacks with wheels do not fit into the middle school lockers, so please do not purchase backpacks with wheels.
