Dear Parents/Guardians:

There are many instances throughout the school year where there are opportunities for photographs for school events. Pictures may be taken to document classroom projects, field trips, club activities or similar events. At times we may use these photos for educational purposes or publicity to highlight the many wonderful things that go on in our school. In most cases, students will be unidentified or only identified using first names and last initials. Students who are recognized for outstanding achievement, service or awards may be identified by their full names.

If, for any reason, you do not want your student's photograph used, please return the form below. Feel free to call your school principal with any questions.

School Health Services

Dear Parent or Guardian:

As a part of your child's requirements for school, NYSED requires an annual New York State physical exam for students in grades K,1,3, and 5 as well as those entering the school district for the first time. A law was recently enacted that expands health screenings to include the dental health of students in New York State.

In addition, when we require that your child have a physical examination, we will be requesting a dental certificate as well. There is a sample certificate available for you to take to your child's dentist and once it is completed, it should be returned to the School Nurse as it will be filed in our child's Cumulative Health Record.

Thank you for your cooperation in this new health endeavor. Our students benefit when we work together to promote the health and achievement of all students.

Please call the school's Health Office if you have any questions or concerns.

VOORHEESVILLE CENTRAL SCHOOL DISTRICT

New York State Education Law requires that every child have a physical examination upon entering the school district for the first time, as well as in grades 2 and 4. The school offers school physicals for students in grades 2, 4, 7 and 10. However, if you wish to have your child examined by your own physician (or pediatrician), who may know your child best, you are free to do so. If you choose an exam by your private physician he/she must fill out the attached form to be returned to school. A recent medical exam, completed within the past 12 months, is acceptable. In this case, you may mail the form to your doctor requesting them to complete it and return it to school.

The school physician does not diagnosis medical problems. These will be reported to you immediately and you will be advised to bring them to the attention of your family doctor. We will request a report of your physician's findings and treatments.

Please check the appropriate statement below and return this form to school as soon as possible. If we do not receive a response from you, we will make arrangements to have your child examined by the school physician.
